

```
std::iterator< iter  
_type, T >
```

A diagram illustrating inheritance. A light gray box at the top contains the text 'std::iterator< iter' followed by a line break and '_type, T >'. A dark gray box at the bottom contains the text 'spp_::Two_d_iterator' followed by a line break, '< T, row_it, col_it,' followed by a line break, and 'iter_type >'. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating that 'spp_::Two_d_iterator' inherits from 'std::iterator'.

```
spp_::Two_d_iterator  
< T, row_it, col_it,  
iter_type >
```
